Once you create your account click register, Fill out Parent/Guardian info first and then fill in your child's information
- **In Person Registration** – A Date will be determined for an In-Person registration for new and returning players. Please check the website for dates. Please bring a copy of your child's birth certificate if your child is new to the league. Ages need to be verified by Birth Certificate.

Information regarding Little League Baseball

Spring season runs from April till the end of June. Most games are held at the PTLLE complex, located in the back of Northvail School. T-Ball & Farm will play 1 night during week and 1 game on Sat. Weekday games start @ 6:00 pm, and time varies for Saturday. Other divisions will play approx 2 nights & 1 Saturday game. Some divisions play inter-league which will require travel to other local towns. Parents / Guardians are expected to stay at all practices & games. Managers and Coaches cannot be responsible for your child. **PTE is run entirely by volunteers. Parental support is needed to maintain a safe and happy environment for your children.** Volunteers who have direct contact with the children (coaches, managers, etc), must attend and pass a certified safety course (RUTGERS). A background check will be run on all these volunteers as mandated by Little League. To receive volunteer fee back, you must complete your task, fill out a refund form and submit to the concession stand by August 1st. No refunds will be given after that date. Any withdrawals after April 1, 2020 are subject to a \$50 penalty. There will be an annual Mandatory Fundraiser fee of \$30 per family that will be collected during registration. There is also a \$75.00 Volunteer fee required for each family which is very easily earned back through volunteering for any one of the many opportunities (I.E. Concession Stand, Coaching...)
