## College Connect: Offering Support to Parsippany Graduates

“The best way to predict your future is to create it.”  
- Abraham Lincoln

*Mayor Michael A. Soriano*

Dear students of the Class of 2020: Congratulations to you all; now the work really begins.

Summer is right around the corner. It's a summer that none of us could've anticipated. Nobody knows what tomorrow will bring.

Coronavirus has compromised every aspect of daily life, and all but eliminated traditions for many residents across Parsippany. Now, as the season warms up, the end of the school year is drawing near. For most high school students, the joys and memories of senior prom, graduation, and celebrating the transition into adult life won't be anything like what their predecessors experienced.

But what happens after high school? How will Parsippany students tour their colleges, get a feel for student life, or prepare for their fields of study without even being allowed on campus? These challenges could be overwhelming for students, who've already endured plenty while trying to adapt to a truncated curriculum to round out their senior year. That's where Parsippany College Connect is hoping to make the transition a little easier.

Parsippany College Connect is an online platform created by Alexei Sepe, Nicky Pareth, Alisha Gangadharan, Rebecca Klausner, and Lucas Folan, high school graduates from Parsippany's Class of 2017, hoping to engage and support incoming college freshman from the community.

“This platform was a direct result of COVID-19,” Gangadharan told me recently. “High school seniors don't have the opportunity to see colleges or get the transition benefits that they normally would. We wanted this to be a unique experience for Parsippany students.”

The group of friends wanted to create an online platform, supported by recent high school graduates and college students from Parsippany. They began compiling an online directory of college students and high school graduates. Incoming college freshmen can connect with college students from Parsippany, who can offer knowledge, expertise, and encouragement as these freshmen transition into this all-too-critical next step in education. In just a few short weeks, the group now includes hundreds of high school and college students, all from the Parsippany-Troy Hills area. The website features blog posts, videos, and other content to engage both high school and college students alike.

To be a part of the forum, information that students provide will be available on a public website, but phone numbers aren't published, they're for contact use only.

I'm proud of these Parsippany graduates for what they've created for our community, and strongly suggest our high school graduates consider using this resource to see if it can help you in the next step of your academic lives. Check it out at [www.parsippanycollegeconnect.com](http://www.parsippanycollegeconnect.com).

Once again, congratulations to the Class of 2020, the next chapter of your life awaits. Make it a good one.

THE PERFECT HARMONY OF  
SMOOTH AND CONFIDENT.

## Jess Colletto Named to East Stroudsburg University's Dean's List

**Jess Colletto**

PARSIPPANY — Jess Colletto, an Athletic Training student from Parsippany was among those named to East Stroudsburg University's Spring 2020 Dean's List.

A total of 1,802 students have been named to the Dean's List at East Stroudsburg University of Pennsylvania (ESU) for the Spring 2020 semester of the 2019-2020 academic year, according to Joanne Bruno, J.D., provost and vice president for academic affairs.

East Stroudsburg University, one of the 14

institutions in the Pennsylvania State System of Higher Education, opened in 1893 as East Stroudsburg Normal School.

Today, ESU is a comprehensive university in northeastern Pennsylvania offering 58 undergraduate programs, 21 master's programs, and two doctoral programs.

Over 6,000 students are enrolled for the high quality, affordable, and accessible education ESU provides. Nearly 30,000 ESU alumni live in Pennsylvania.

# There's Still Time to Earn Credit this Summer at CCM

With two summer sessions starting later this month, County College of Morris (CCM) offers college students and recent high school graduates the opportunity to keep moving forward with their education.

A Five Week session begins on June 29 and runs through August 1. A Seven Week session begins on June 30 and runs through August 15.

## A Better Alternative Than a Gap Year

Given the uncertainty surrounding the COVID-19 pandemic, some students reportedly are considering taking a gap year. A gap year traditionally consists of traveling either nationally or internationally to explore, work or serve as a volunteer. This year being in the midst of a pandemic, the option of traveling and being far from home, however, is a concern for many. "The better alternative," notes CCM President Anthony J. Iacono, "is to keep moving forward and not delay earning a college degree and getting started on a career by enrolling at your community college."

Those uncomfortable about starting at a four-year college or university can take advantage of the opportunity to complete their general education requirements at CCM and then transfer those credits when they are ready to move on to another institution. CCM holds more than 150 transfer agreements with colleges throughout New Jersey and across the country to ease the process of earning a bachelor's degree.

For continuing college and university students, CCM presents the opportunity to stay on course and close to home during these uncertain times. Both the Five Week and Seven Week sessions include a wide range of courses in disciplines ranging from the liberal arts, to science and technology, to business

and criminal justice. To see what courses are being offered, go to <https://titansdirect.ccm.edu/Student/> and click on "Browse Course Catalog," "Advanced Search" and select which session you want to review.

To apply to the college, go to [www.ccm.edu/admissions/](http://www.ccm.edu/admissions/).

## Online Information Sessions

CCM is offering weekly online information sessions to provide students, their parents and guardians with the opportunity to learn more about the benefits of enrolling in their community college, close to home. The Admissions Office will be holding "Titan Tuesday" online information sessions every Tuesday at 7:00 p.m. through the spring and summer.

Each session, hosted by an Admissions counselor, will provide participants with the opportunity to learn about the college's academic programs, transfer agreements to earn a bachelor's degree, student services and co-curricular programs. The admissions and registration process also will be covered and a questions and answers session held during each session. Preregistration for "Titan Tuesday" is required, which can be done at [www.ccm.edu/admissions/visiting-us/](http://www.ccm.edu/admissions/visiting-us/).

Login information will be emailed following registration.

## Be Essential – Plan for a New Career

Along with its credit degree and certificate programs, CCM offers a wide selection of professional development options. Through its Center for Workforce Development, individuals looking to start a career, change a career or advance in the career they are in can take advantage of one of many industry recognized certificate and continuing education programs. To learn more, visit [www.ccm.edu/workforce/](http://www.ccm.edu/workforce/).

# Did You Complete Your 2020 Census?

The 2020 Census will determine congressional representation, inform hundreds of billions in federal funding every year, and provide data that will impact communities for the next decade.

The 2020 Census will provide a snapshot of our nation—who we are, where we live, and so much more.

The results of this once-a-decade count determine the number of seats each state has in the House of Representatives. They are also used to draw congressional and state legislative districts.

Over the next decade, lawmakers, business owners, and many others will use 2020 Census data to make critical decisions. The results will show where communities need new schools, new clinics, new roads, and more services for families, older adults, and children.

The results will also inform how hundreds of billions of dollars in federal funding are allocated to more than 100 programs, including Medicaid, Head

Start, block grants for community mental health services, and the Supplemental Nutrition Assistance Program, also known as SNAP.

### DID YOU KNOW...

Each year, Census data informs federal funding for more than 100 programs, including school lunches, highway construction, and education.

The U.S. Constitution mandates that the country count its population once every 10 years. The results are used to adjust or redraw electoral districts, based on where populations have increased or decreased.

State legislatures or independent bipartisan commissions are responsible for redrawing congressional districts. The U.S. Census Bureau provides states with population counts for this purpose.

### Federal Funding

The results of the 2020 Census will inform decisions about allocating hundreds of billions of dollars in federal funding to communities across the country—for hospitals, fire departments, school lunch programs, and other critical programs and services.

## Woman's Club of Parsippany-Troy Hills Honors Parsippany Students

Amid the COVID-19 pandemic, the Woman's Club of Parsippany carried on with honoring students at all levels as they have done for many years. Using some of the proceeds from the 2019 annual "Tee Off for Education Golf Classic and Luncheon" twenty-four students have been recognized.

It's the 65th year the club has given student end of year awards. The club started the 8th grade citizenship awards in 1955, just a year after the club was founded. This was followed by scholarships a few years later and finally the reading awards.

Reading awards have been given to one student in the 5th grade from each of the ten public elementary schools. The award consisted of a certificate and a \$25 Amazon gift card. Citizenship Awards have been provided to Central Middle School, Brooklawn Middle School and All Saints Academy. Two students from the 8th grade (one male and one female) in each school received a certificate and \$50 check.

Eight graduating seniors from Parsippany High and Parsippany Hills were awarded a \$1,000 scholarship and certificate. The well deserving students are:

Parsippany High: Bon Jean Koo, Jason Punskovsky and Kristine Yang

Parsippany Hills: Nicholas Kuo, Morgan Marron, Andrea Potesta-Olivia, Samantha Serino and Colin Smith

Members from the club Scholarship Committee made a visit to each of the scholarship winners homes to bring a little something extra to celebrate these exceptional young people.

## Zack Taylor Announced His Commitment to the Scarlet Knights

**Zack Taylor #51**

The search for Rutgers' next long snapper has gone through a familiar school and familiar family. The Rutgers coaching staff issued an offer to class of 2021 Parsippany Hills High School long snapper Zack Taylor.

"I've been talking with Coach Scheier and he says he would love to have me on his unit," said Zack. "Me and him have been talking for a couple of months and we have a pretty good relationship."

Taylor has been a frequent visitor of Piscataway, having seen a bunch of his brother's games and coming on a couple of unofficial visits over the last few years. Throughout all those trips, the younger Taylor came away impressed with what he has seen.

"It's a beautiful campus and I'm always happy

to get down there and hang out with my brother and his friends. I think it's great to play in front of the home crowd and represent your home state in the Big Ten," said the 6-foot-2, 220-pound Taylor.

Scarlet Knights was the first offer for Zack, whose brother, Billy, is currently a three-year starting long snapper for the Scarlet Knights.

Zack Taylor was in seventh grade when his brother Billy started long snapping as a way to increase his playing time for the Parsippany Hills High School football team. Billy, then a sophomore, excelled at it, becoming one of the best in the country and ultimately earning an opportunity to continue long snapping at Rutgers.

## Zack Taylor Commits to the Scarlet Knights

Parsippany Hills High School Vikings Football team, North Jersey Section 2 Group 3 NJSIAA State Champions

(Continued from Page 19)

Zack Taylor's commitment addresses one of the three specialist spots for the 2021 season.

Rutgers is currently scheduled to have a complete overhaul with kicker Justin Davidovicz and punter Adam Korsak also entering their final college seasons (although Korsak, an Australian, could potentially petition the NCAA for another year of eligibility based on the specifics of his time at Melbourne's Maribyrnong College prior to enrolling at Rutgers).

His brother, Billy, has been the Scarlet Knights' starting long snapper for the last three seasons.

It could potentially be eight straight years of Billy and Zack long snapping for Rutgers.

Coming out of high school, Billy Taylor was ranked the top long snapper in New Jersey and the ninth-best long snapper in the nation for his recruiting class by Rubio Long Snapp.

"Zack like Billy has earned himself a Division 1 scholarship through hard work and dedication to his craft. For as long as I can remember Zack has been working on long snapping and all his work has paid off. Zack's father Billy Sr. would often tell me that Zack was going to be just like his brother like Billy," said Parsippany Hills Coach David Albano.

Rubio Long Snapping rates Taylor as the 16th-best long snapper in the nation for the class of 2021, and the top at his position in the northeast.

Taylor is the 12th member of the Scarlet Knights' 2021 recruiting class, and the eighth New Jersey talent to pledge to Rutgers.

Taylor's teammate Jordan Thompson previously committed to the Scarlet Knights 2021 recruiting class, which is ranked 19th nationally and eighth in the Big Ten by 247Sports.com.

# Nisha Godbole Graduates Muhlenberg College

Congratulations to the Class of 2020! Due to the COVID-19 pandemic, the Muhlenberg College 2020 Baccalaureate and Commencement ceremonies have been rescheduled for October 17 and 18. However, to commemorate this important milestone, the College hosted a Virtual Senior Week which culminated May 17 with the Conferral of Degrees by President Kathleen Harring. During the presentation, 518 students were awarded their undergraduate degrees.

Nisha Godbole graduated Summa Cum Laude with a Bachelor of Arts & Science in Biology and Public Health. Nisha is a 2016 graduate of Parsippany High School.

Founded in 1848, Muhlenberg is a highly selective, private, four-year residential, liberal arts college located in Allentown, Pennsylvania, approximately 90 miles west of New York City.

# Adopt Rory – One Year Old Pit Bull Mix

Rory is a one-year old Pit Bull mix who is sixty pounds of pure love! This sweetheart will become your instant best friend through her affection and loyalty! She is a happy-go-lucky girl who always wears a smile on her face. She can instantly make anyone’s day better by covering them in kisses!

Rory loves to be out and about. Whether it’s going on long walks, hikes, or a stroll downtown, Rory will happily tag along! She does need an active household that can provide her with this exercise. She would benefit greatly from a fenced in yard so she can run around and entertain you with her “zoomies”. Rory would LOVE a male doggy companion to romp around and wrestle with!

Since Rory is young and spent majority of her life in a shelter, she needs a home that will work on correcting some of her puppy behaviors. She responds wonderfully to correction but needs structure to teach her some basic manners! Because of this, she would do best with kids 13+.

Rory has an abundance of love to give. All this girl needs is a family to give it to! Will she be your new best friend?

If you are interested in adopting Rory, please fill out an application by [www.wiseanimalrescue.org/adoption-application](http://www.wiseanimalrescue.org/adoption-application)

## Parsippany-Troy Hills Education Association Donates to Parsippany Organizations

The members of the Parsippany-Troy Hills Education Association as part of the community efforts to provide help, and hope, to the people who support the students that they serve have made donations to local organizations.

Due to the many unexpected changes brought upon by COVID-19 they believed it was important to support first responders and individuals most in need. It is with great pride that the members of the PTHEA present the following donations to some of our town's most critical services:

**\$8,000 donation to Table of Hope in Morristown (a food bank that supplies the Parsippany Food Pantry)**

**\$10,000 donation to the Rockaway Neck Volunteer First Aid Squad (The Squad plans to purchase UV lights for disinfection of their rigs and PPE for the squad members)**

Rose Defilippo (Reading Specialist), Joe Gesu Maria (ESC, Troy Hills School), Alexandra Partington (Fourth Grade Knollwood School), Jennifer Sikora (Chief Parsippany Volunteer Ambulance Squad), Emma Sikora, (2nd grade student Lake Parsippany School) and Mayor Michael Soriano

# Shammas Selected to the New Jersey Super Lawyer List

For the sixth year in a row, Damian Christian Shammas has been selected to the exclusive Thomson Reuters New Jersey Super Lawyer list. The distinction is shared by a mere 5% of attorneys in the State of New Jersey.

From 2012 through 2014, Damian was named to the Thomson Reuters Rising Stars lists.

Shammas is an attorney who represents clients in the Morristown area. He is recognized by peers and was selected to Super Lawyers for 2015 – 2020. This selection is based on an evaluation of 12 indicators including peer recognition and professional achievement in legal practice.

Damian Shammas chose to pursue a career in law after completing undergraduate studies. He attended Seton Hall University School of Law and graduated in 1999. Damian Shammas passed the bar exam and was admitted to legal practice in 1999.

Being selected to Super Lawyers is limited to a small number of attorneys in each state. As one of

Damian Christian Shammas, Esq.

the few attorneys to garner the distinction of Super Lawyers, Damian Shammas has earned the respect of peers as one of the top-rated attorneys in the nation.

Law Offices of Damian Christian Shammas is located at 6 South Street, Suite 301, Morristown, NJ 07960. He can be reached by calling (973) 998-8500 or visit [www.shammaslaw.com](http://www.shammaslaw.com).

# Ava Arthurs Drive-by Birthday Celebration

COVID-19 has robbed kids of so much — going to school, playing with their friends, competing in sports, enjoying a playground, seeing their relatives, buying ice cream at a store, visiting museums, and zoos. Even celebrating birthdays.

Until now.

Rockaway Neck Volunteer Ambulance and Parsippany Rescue and Recovery and a dozen friends and relatives refused to let Ava Arthurs miss out on her birthday joy.

“We wanted to brighten her day when so many of the days are gloomy,” said Paul Anderson, Parsippany Rescue and Recovery Deputy Chief.

Ava turned six on Tuesday, June 2.
